

ASIAWIDE LIFESPACES & PROPERTY MANAGEMENT CORPORATION

SERVICE PRIMER

Introduction

Asiawide Lifespaces & Property Management Corporation (ALPMC) is a wholly-owned subsidiary of WRLD Capital Holdings Inc. We provide property management services to residential and commercial properties. Our primary goal is to uphold and maintain the promised lifestyle to our clients by overseeing the management and maintenance of its spaces.

ALPMC is the property owners' partner in maximizing the potential value creation and return on investment of the property through efficient performance of these functional areas of responsibility. The property management company acts in the best interests of the owner to maintain the property in keeping with the general atmosphere and environment set by the shareholders, vanguard of the collective policies set by the shareholders, collect dues, preserve budget integrity and maintain records.

Vision

We envision to be the premiere property management company in both commercial and residential life spaces. We are passionate in bringing about quality of life to our dwellers, enhancing the value of their assets, and provide opportunities for growth potential, through excellent standards and innovations.

Mission

- Enable quality of life through consistent implementation of principles of common living, environmental standards, and compliances to institutional regulatory policies.
- Apply standards, protocols & tools for adequate maintenance and improvement of common area facilities.
- Hire, train & develop property management professionals who are responsive to the needs of our communities.
- Contribute and mitigate environmental impacts through the design, use and operation of our resources.

SERVICES

We provide adequate service to meet the demands of the tenants/occupants of each property or shareholders appropriate to the desired and designed structures, lifestyle or spaces. As such, as property manager, we impose set regulations, respond to their requests, monitor the activities on lease agreements, facility or community requirements, collect rent and approved dues in a timely manner, and continually assess the tenants' or shareholders' satisfaction.

ALPMC may also at the discretion of the developer or the Home Owners' Association (HOA) perform representation for legal remedies of eviction for violations or non-payment or lien on properties and other considerable management functions in relation to the set regulations and policies by the developer or the HOA.

- **House Improvement Review & Approval (By appointment)**

All structural and aesthetic modifications are reviewed and approved by the Property Management Office if found to be compliant to the village construction and design guidelines. *(See diagram on the next page)*

Marketing & Financial Management

ALPMC is a real estate property management that provides services towards the understanding of operating expenses and budgeting. From this information, we derive appropriate equitable allocation of dues to shareholders, able to set rental fees that are balanced by the current market trend and supportive of the objectives of the property owners. A firm knowledge of the area, community development, and regulatory compliance is required. As property manager we may recommend marketing programs, special promotions and other advertising strategies to the owner to minimize inventories, maximize income and rental rates. Regular financial reporting to the owners is required. Understanding financial statements, profit and loss, income taxes and budgeting are all very crucial for the property manager.

Facility Management

We provide service in management of the structures and outdoor areas. Landscaping, electrical, plumbing, roof, walls, appliances, and much more are all part of the physical property.

ALPMC maintains relationships with contractors and repair companies, budget capital expenditures, and monitor the quality of all repairs and maintenance. This function ties in with the financial piece, as some improvements will require significant capital expenditures and budgeting for them. It ties in with shareholders, owners, and tenant and occupancy management because it is important to the long-term viability to well-maintained properties.

- **Open Spaces Management (Mon. - Sat., 8AM - 5PM)**

The village's open spaces, such as roads, sidewalks, parks, and other similar facilities managed and maintained to ensure that the residents of the village can utilize them at any time.

- **Facilities Monitoring and Repair (Mon. - Sat., 8AM - 5PM)**

Supporting facilities such as lighting and plumbing of the open spaces of the village are regularly checked for defects and are repaired as soon as possible.

- **Landscaping & Maintenance (Mon. - Sat., 8AM - 5PM)**

To preserve the natural beauty of the village, the Property Management Office employs trained landscape personnel that plants and maintains landscaping around the village.

- **Solid Waste Management (Mon. - Sat. 8AM, Once a day)**

Each household's trash is collected for temporary holding at the Materials Recovery Facility of the village. Collection of the LGU garbage trucks are coordinated for scheduled pick-up three times a week.

- **Allied services**

We maintain strong working relationships with top performing service providers in various industries such as Pest control, insurance, and events-related companies such as catering, events planning & coordination, lights and sounds, make-up, etc.

Administration & Risk Management

We provide service on the keeping of the files and records, a crucial part of the property management function. National authorities such as the Housing and Land Use Regulatory Board (HLURB), national statutes, local governments, and deeds of restrictions all have some jurisdiction over real estate property management activities.

Certain reporting requirements must be met for all of them. Meticulous records for accounting and taxes are a must. For reasons of liability, all activities of tenant, shareholders and owners' interaction must be recorded and maintained for specified periods. Though also related to financial functions, there are very rigid requirements in most cases the property management company shall be sanctioned to hire an independent auditing firm for the handling of funds paid by shareholders, tenants or property owners.

- Reports Generation & Compliance with BIR & HLURB (Annual)

The operations, combined with the accounting team, will prepare the reports that are required by the Housing and Land Use Regulatory Board and the Bureau of Internal Revenue - and submit them as required by these agencies.

- Maintaining of HOA records

Aside from the financial statements, good standing members of the village can request for the following records. These will be provided within no more than 24 hours after the request:

- Financial Reports
- Incident & Security Reports
- Service Contracts

- Coordination with Local Government Unit (LGU)

As part of a bigger community, we make sure that we do our part in reaching out and coordinating with the barangay and municipal offices to ensure that all the common services that they offer are also enjoyed by the residents of the village

- Village Emergency Preparedness and Response

We ensure that village personnel are trained and equipped properly to respond to emergencies. Tools, rations, and medical supplies are ensured to be available always.
